REDHOTS® Hot Dog Roller Grill

Perfect for hot dogs, sausages, burritos, egg rolls...

Ideal for fast food, convenience stores, sporting stadiums and entertainment venues, the Hot Dog Roller Grill offers reliable performance and is perfect for hot dogs, sausages, burritos and egg rolls. The unit comes with a commercially built gear-box and chain drive assembly, which allows the unit to operate for long periods of time. The range provides non-stick roller capabilities with stadium style set up.
